department to allocate appropriate resources to schools. The department also uses this information to plan for future educational needs in Victoria and shares some information with the Commonwealth government to monitor, plan and allocate resources.

– This assists schools to manage health risks and legal obligations. The department may also provide this information to the Department of Health and Department of Families, Fairness and Housing to assess immunisation rates in Victoria, but not in a way which identifies students.

– This is required to process a student's enrolment.

All schools may use departmental systems and
